Call for Papers

: I am particularly interested in papers that address the following topics:

1) How to appropriately integrate one's faith into one's military service and leadership, 2) The necessity for commanders and leaders at all levels of the national defense structures of the English-speaking nations to cultivate spiritual knowledge and wisdom concerning the roles of faith in our own defense preparedness and in the military and security forces of our allies and our enemies, 3) How the Judeo-Christian Tradition serves as the primary foundation of our nations' ideals and the core values of our military and security forces.

Authors are invited to submit either original or previously-published manuscripts for this and future editions. Refer to the information in "About JFW" in the main menu at left, or contact the editor at: jfweditor@faithandwar.org
