

This journal serves as a credible source of information for those who wish to expand their understanding of ongoing changes in the spiritual, moral and ethical cultures of the nations that comprise Western Civilization and the significant threat to their future existence from Islamist Jihadist movements. It also focuses on the imperative of integrating biblical faith with service and leadership in the armed forces of the English-speaking nations of the world in the context of these changes and this threat.

I am adding new content to expand upon the articles and commentaries it already contains (see the "Fifth Anniversary" section below). If you are interested in publishing your paper or in recommending reprints of papers relevant to these subjects, send manuscripts or links to me at: [jfwdeditor@faithandwar.org](mailto:jfwdeditor@faithandwar.org). My goal...and prayer...is that God will enable the *Journal of Faith & War* to become an invaluable source of the best ideas and actions that can help readers respond to the moral decay of Western Civilization and the imminent threats that endanger our future. —
